The SMWIA travel office will be instructed to purchase ONLY the contestant ticket. If they select NO, the contestant is responsible for making their own travel arrangements and will be reimbursed at the applicable IRS rate versus super saver mileage, whichever is less.**

Any nights after March 18 will be the responsibility of the contestant, who will need to provide a personal credit card at check in for the additional nights. We will secure the extra night(s) on their reservation, but iTi is not responsible for the payment of said extra night(s).**

You also need to include yourself and anyone from your JATC / local. ONLY INCLUDE JATC/LOCAL PEOPLE ONCE...e.g. if you are signing up five (5) contestants, use ONLY ONE of the contest applications to include YOUR JATC / LOCAL headcount for the Welcome Reception. This number is very important to ensure that we plan properly for everyone who will be attending.**

**If you are unsure about your attendance, please select the NO option. You can always call Judy to edit your application and departure date if you decide to attend the PIP conference. If you answer YES to this question please read the pop-up, which states that selecting yes DOES NOT register the contestant for the PIP Conference. There is a link on the main Contest page marked "Sign up for the Partners in Progress Conference".
